Donna McCartney
Project Manager
USEPA
Region 3
841 Chestnut St.
Phila., PA 19107

Dear Ms McCartney:

You received a letter from me concerning the C & D clean up and work plan. I sent my letter on May 2. I hope that I shall receive a substantive answer soon. I am particularly concerned that EPA may fall into the error that meetings in private homes with a limited notification of a few neighbors can take the place of public meetings.

Very truly yours,

Marvin J. Lewis
